Under the agreement for 2015
Dunkeld State School will receive

$5,000*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

**This funding will be used to**

- To increase the percentage of students attaining placement in the upper two bands of Naplan numeracy.
- To increase the number of students attaining a ‘B’ or above for Maths.
- To increase the spelling levels and comprehension levels of each student.
- To improve the use of data as part of our ‘data – driven pedagogy.

**Our strategy will be to**

- Fund extra teacher-aide time to allow short explicit teaching sessions in numeracy rotations with special attention to higher order problem-solving.
- Fund extra teacher–aide time to allow short explicit teaching sessions in spelling and comprehension.
- Improve consistency with collecting and recording ‘Data ‘ through engagement of a ‘Data Officer ‘
- Purchase a guided reading kit for higher level reading.

**Our school will improve student outcomes by**

- Purchasing extra teacher aide time to support explicit teaching $ 3500
- Employing relief teacher as ‘data officer’ to help collect, collate and organise data $1000
- Purchasing a higher level comprehension kit for guided reading $ 500
